Truthful

We walk the right way at any moment.

Barun Logistics

is an international freight forwarder walking the right way.

Under the circumstances that every company shall compromise with reality for both profit creation and survival, we always agonize over what the right way is and how to walk through that way.

We are well aware that regarding customers' benefits and the public interest rather than our benefit as a top priority would ultimately lead to our success.

We hereby swear to treat customers' endeavor and dream as most valuable and priceless.

All staff members in Barun Logistics always work in honesty and will endeavor the best, which can be sincerely shown as responsibility throughout for our valued customers.

INNOVATION

Win the Logistics, Win the Business

International freight forwarding, one of three elements in international transactions, operates from the initial stage to final stage of overseas trade.

The overseas trade route for new businesses begins as soon as their valuable cargoes arrive safely and in a timely manner. Working tirelessly, we maintain the customer's vision and future drive.

We drive full on for success by moving cargo in the right direction along the road to completion.

INTERNATIONAL FREIGHT FORWARDING

If you seek the best in export & import cargoes, please feel free to contact our staff at BARUN LOGISTICS CO.,LTD.

We provide customers excellent ocean freight, air freight, inland transportation, packing, warehousing and stevedoring services at never seen before competitive rates.

BARUN LOGISTICS CO.,LTD. promises to offer safe and specialized transportation across the world via our well organized alliances who are composed of more than 100 partners qualified and experienced in the logistics field. Especially, we can provide our customers with creative and revolutionary solutions for special cargo transportation thereby utilizing our excellent ability and accumulated know-how beyond the ordinary.

OCEAN TRANSPORTATION

Selecting the appropriate vessel in accordance with the type of cargoes and trade environment requires careful consideration.

We select the appropriate vessel to contribute to your esteemed company's way of providing the proper vessel on schedule which means competitiveness in terms of the cost effectiveness.

CONTAINER VESSEL

Container vessels, operating under regular world-wide services, are swift punctual and risk-averse.

You can experience satisfying, reliable services from LCL cargoes to a high standard and with their special containers by way of using BARUN LOGISTICS CO.,LTD.

PURE CAR & TRUCK CARRIER

Pure Car & Truck Carrier, optimized for carrying diverse vehicles and construction equipment, has a huge advantage for quick and safe loading and unloading cargoes thanks to their expert ability handling the heavy and sizable.

SPECIAL VESSEL

Special vessels are highly needed to transport mega heavy cargoes and over-sized cargoes. We examine to the minutest detail the latest shipping environment and characteristics to ensure we find the close-fitting special vessel your business model requires. Our efforts and differentiated skills are directly connected to your, our customer, business success.

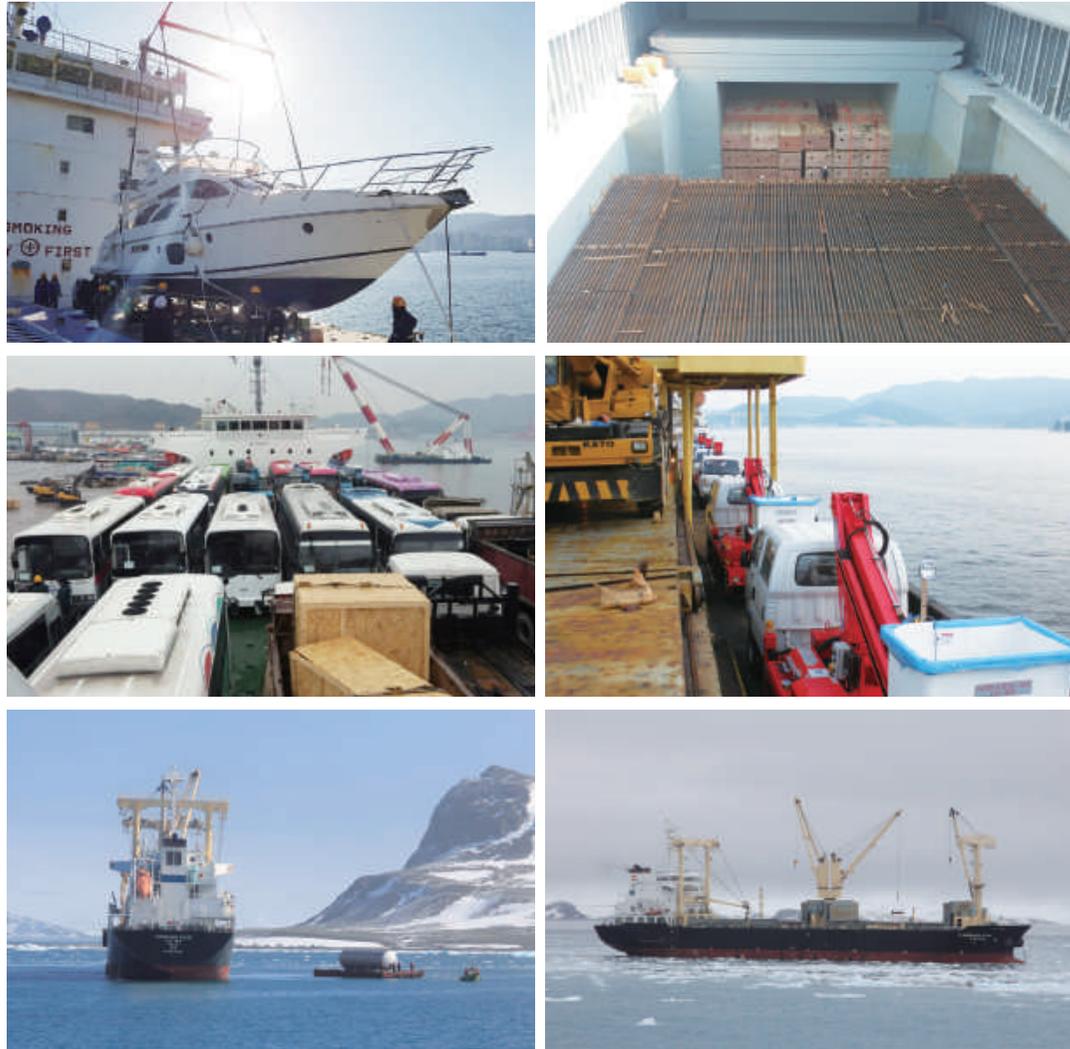

GENERAL CARGO VESSEL

Finding a cargo vessel can be hard because many general cargo vessels exist for the various shapes and sizes of cargoes.

We make the reach easier by seeking out and finding the most suitable vessel for transporting your cargoes at the most competitive prices.

INLAND TRANSPORTATION

We fully understand the various and complex inland transportation methods.

The safe and start to finish needs of international logistics requires a well routed inland transportation plan to keep your cargo safe while maintaining cost and time.

We are prepared to find the fastest and the safest means of transportation from minute cargoes to heavy and over-sized cargoes with cost-effective and flexible service.

MARINE INSURANCE

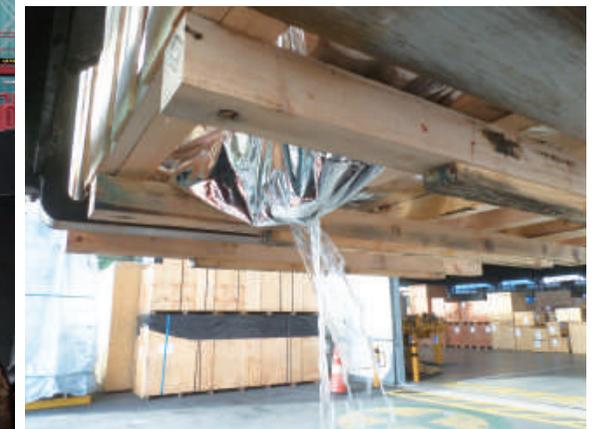

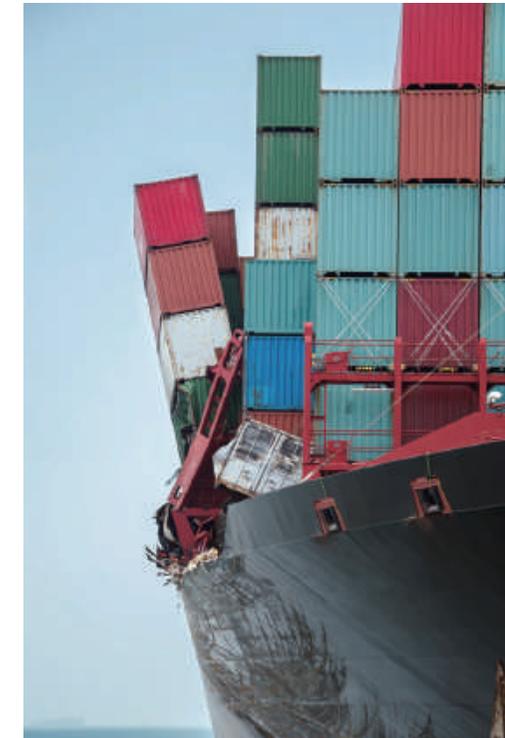

We provide professional insurance and reinsurance services that you have never experienced from other normalized freight forwarders.

CARGO INSURANCE, an essential insurance in order to complete safe cargo transportation and the ability to cope with any accidents, is a specialty of ours and can be rearranged quickly and easily.

Furthermore, we can answer your queries for a variety of insurances such as EXPORT GUARANTEE INSURANCE, HULL & MACHINERY INSURANCE, SHIPMENT LIABILITY INSURANCE and FIRE INSURANCE, to make sure you have the best cover.

Our Marine Insurance Team has the negotiating power and the professionalism to take action against insurance companies on behalf of our customers.

The collaboration between International Freight Forwarding and Marine Insurance offers safe, professional, and comprehensive logistics services to make sure your cargo is protected.

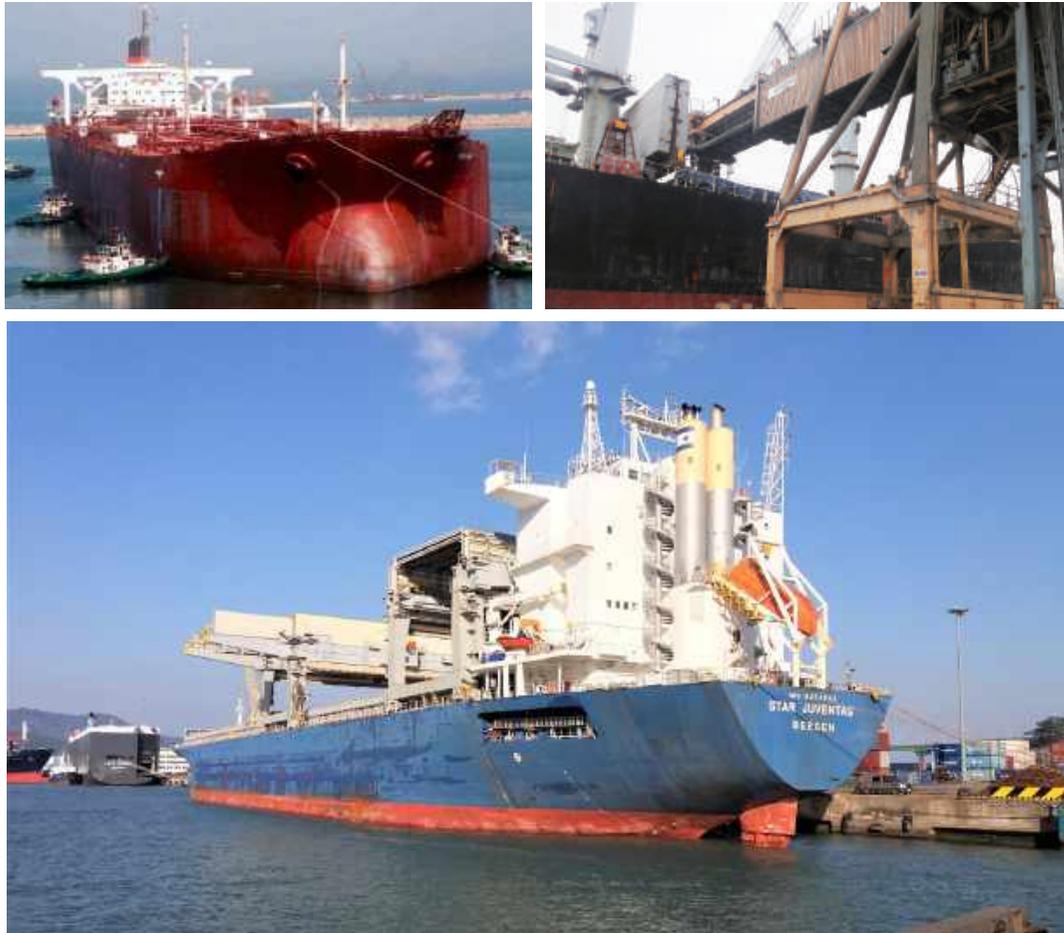

SHIP CHARTERING

We, Barun Logistics, provide the services that transport all sorts of dry bulk and project cargoes from raw materials to merchandise such as steel products, machinery and vehicle, etc.

Worldwide from the Far East, S.E.Asia, US, Middle East, EU to Africa in order to find a solution tailored to meet customer's specific needs, we hard work for you to establish the fastest, most reliable and efficient route.

Our Bulk Trumper Business Department also provides the services in transporting major bulk cargoes such as ore, coal, grain and fertilizer, etc. by using our chartered fleet from small handy to ultramax bulk carriers.

EXTRA SERVICE

TRANSHIPMENT SERVICE VIA KOREA

AIR TRANSPORTATION

We offer total logistics solutions including freight, and customs clearance under close cooperation with shipping line, airline and customs broker.

We find suitable transportation for urgent, small-sized but high-priced cargoes.

When the urgency and the immediacy is needed, you will experience our best air freight service.

We operate to the fastest and cheapest flight schedules.

INTERNATIONAL MULTIMODAL TRANSPORTATION

The International Logistics Environment continues to grow and diversify ever demanding more modes of ocean, air, stevedoring, customs clearance, warehousing and inland transportation services to anywhere in the world.

Our overseas networks, which are an accumulation of experiences over the years, will find the best solutions under any trading circumstances to move your goods anywhere in the world.

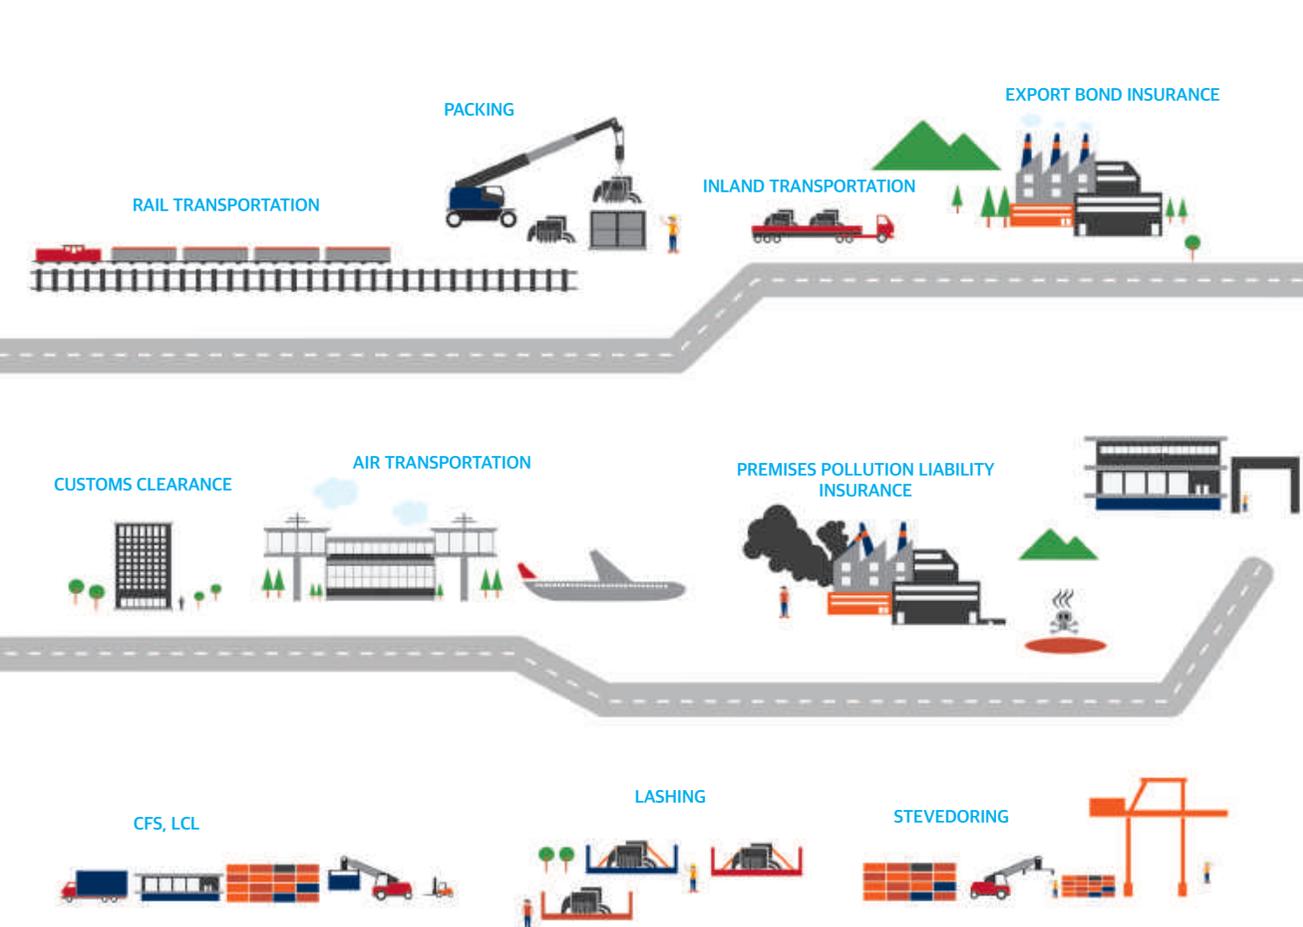

Together

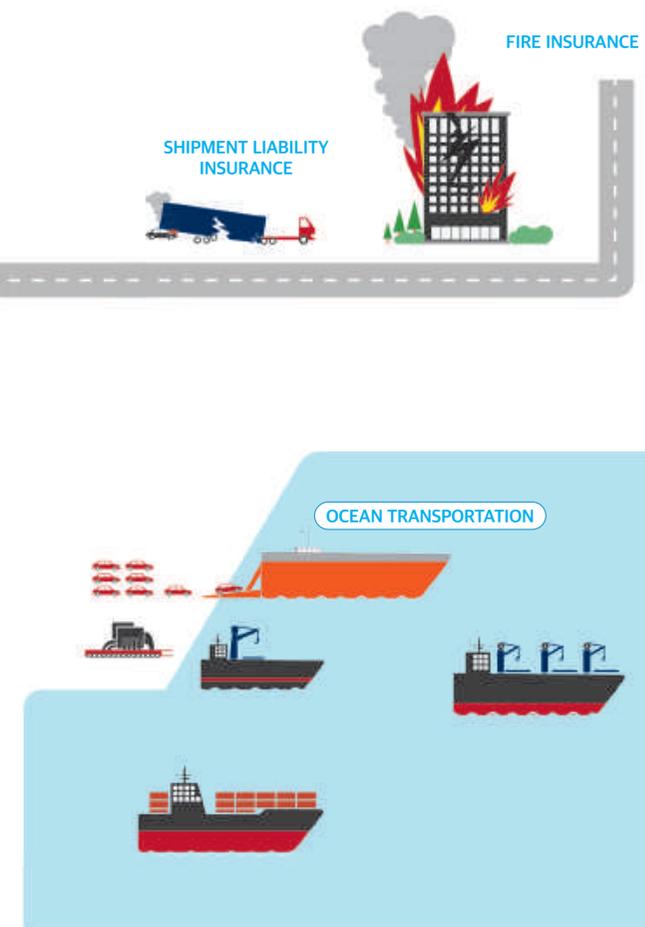

Barun Logistics exclusive transportation system leads your company to the win-win business.

With so many freight forwarding companies in Korea, look no further than Barun Logistics. We sincerely promise the most efficient, reliable, cost-effective logistics system working for the success of your business.
